

## The school's experience in cooperation with city companies

Panevėžys preschool „Žibutė“ cooperates with city companies and institutions. children have the opportunity to visit them and get to know their work.

Panevėžys kindergarten „Žibutė“ actively cooperates with various city companies - the children have the opportunity to visit the dental laboratory of Panevėžys College, the water extraction company "Aukštaitijos vandenys", in the "T-taškas" car service. The employees of these institutions are always ready to tell and show their work, to answer children's questions. Children expand their knowledge about specific jobs, what tools and equipment are needed to perform these jobs. children seeing what and how different people work, can apply it in their own activities, in games, creative projects. Children form a correct image of the world, understand what is important to learn in order to be able to do one or another job.
